ANNUAL ASBESTOS LETTER

Dear Parents,

School Year 2016 -17

ASBESTOS MANAGEMENT PLAN CERTIFYING LIFE CHRISTIAN ACADEMY “ASBESTOS FREE” AVAILABLE FOR REVIEW BY PARENTS, TEACHERS AND EMPLOYEES

Our school conducted an extensive asbestos survey according to the “Asbestos Hazard Emergency Response Act” (AHERA) of all of our buildings in 2001. (We have complied with all state and federal regulations.) All of our buildings were found to be ASBESTOS FREE. Since construction initially began in 1992, the church has not used any asbestos products in any phase of construction.

All documents generated as a result of the Notice of Non-compliance, October 3, 2014 are available for review in the school office as part of the school's asbestos management plan.

Any further questions may be directed to Bill Strong at 303.438.1260.

Thank You,

Bill Strong, LCA Administrator
